

Steve's African Mammal List (37 species)

June, 2019, Botswana unless otherwise indicated

These are the common names of mammals I saw in Africa, listed roughly in the order I saw them (or at least wrote them down). Some folks may have not seen all of these; some may have seen others that I did not.

Common Tsessebe	Dwarf mongoose	<u>In Namibia</u>
Lechwe	Honey badger	Bush buck
Hippopotamus	African wild dog	Springbok
Southern giraffe	Steenbok	Ground squirrel
Common warthog	African lion	Gemsbok (oryx)
Impala	Tree squirrel	Mountain zebra
African bush elephant	Vervet monkey	
Chacma baboon	Yellow mongoose	
Southern reedbuck	Black-backed jackal	
Waterbuck	Cheetah	
Slender mongoose	Roan antelope	
Greater kudu	Puku	
Leopard	Sable antelope	
Cape buffalo	Plains zebra	
Scrub hare	Banded mongoose	
Blue wildebeest (brindled gnu)	Spotted hyena
